

The background features a series of concentric circles in light gray, some solid and some dashed, creating a ripple effect. A large blue speech bubble is centered on the page, containing the text.

Intro

Our Contract in Theory

Exchange

- Define what it exactly is
- Define what it should be able to do
- Minimum Requirements

Interface and Functions

- Define the necessary functions
 - Deposit
 - Withdrawal
 - Trade

Datastructures

- Talk about necessary datastructures
- Define what we are going to use
- Some examples
 - Linked List
 - FIFO Stack

Events

- Short Recap what they can do
- Define Contract Events

The background of the slide features several thin, curved lines in a light gray color, some solid and some dashed, creating a sense of motion or a stylized globe. On the left side, there is a blue speech bubble graphic with a tail pointing towards the bottom left. Inside the speech bubble, the text "Let's get started" is written in a white, sans-serif font.

Let's get started

- Skip this section?
 - Maybe, but come back later!
 - For people who need hands-on without “a plan”
- Help?
 - Q&A, Message
 - Help each other
- Feedback?
 - Greatly appreciated, it's public
