INTRO

GENERAL STRUCTURE

WHAT WE DO

- We talk about the Datastructures we need
  - And how they are interconnected

- We complete the logic to add Tokens

- And we Test it

BEFORE WE START!

- Source is provided in the course repository

- You can find help in the course Q&A
    - Search for your question first
    - Have a look in the Course Repository Readme for changes

- Now: Let's start!
